

- May 21, 2014 a joint meeting of the Mid-Shore GIS Committee and Lower Shore GIS Committee was held at Salisbury University. Representatives from the MSRC, State, ESRGC, Caroline County, Dorchester County, Queen Anne's County, Somerset County, Wicomico County, City of Salisbury, Worcester County, and Ocean City and private industry were present.

Updates were offered regarding recent activities of counties, towns, ESRGC, MSGIC, and the State. Several of the counties are preparing for FEMA open house events. Barney Krucoff, Maryland's Geographic Information Officer, highlighted the effort being made to transition MD iMap to a new version of Arc as well as new servers at University of Maryland. Marshall Stevenson from MDSHA offered information about the role of the State, County and ESRGC in the One Maryland One Centerline effort. Dave Guignet, Maryland Department of Environment, presented FEMA digital flood insurance rate maps and a viewer designed to help citizens.

Attendees were:

- Scott Warner, Executive Director, MSRC
- Mike Pennington, Executive Director, TCCLES
- Barney Krucoff, State GIO, DoIT
- Michael Scott, Director, ESRGC
